Dear sir,

Request for monthly allowance (Mr P.D.B Dahanayake)

I started the intern program here at UCSC on 6th of October 2018 as a developer for web development & I'm currently assigned to PDC management system web application development. I have successfully completed following tasks in the month of **January 2019** .

- Student add module back end.
- Message module front end & back end. .
- Changed student view module to AJAX.
- Added messaging student add module.
- Messaging (Email) module front end & backend.
- Messaging module AJAX for dynamic selection.
- Added email message when a single student is added.
- Company registration updated.
- Company approval front end and part of backend.
- Profile for students view end edit.
- Added CV upload to profile edit.

Therefore, please take necessary arrangements to make necessary payments to the above individual as an assignment fee for the above mentioned time period.

Thank You.

Yours sincerely,

.....
Mr. P.D.B Dahanayake
